

## TO WHOM IT MAY CONCERN

I, Raghid Kosa owner of Apolo Market located at 1600 N. Jones Las Vegas, NV 89108; have applied for hard liquor license due to my Customers request. My Customers like to do their shopping in one place, so I am obliged to provide them with that type of convenience.

I have had hard liquor license and gaming license before when I was owner/partner of Speakeasy Liquor, 1006 E. Charleston Blvd. Las Vegas, NV 89104. I held those licenses for ten (10) years upto September 2004; and I would like to have the same set up here at the Apolo Market. At the Apolo Market we feature the following items:

1. Groceries plus fresh vegetables and fruits
2. Full line of fresh meat
3. Gaming
4. Check cashing
5. Beer/Wine
6. Hope to add hard liquor as well.

I have owned Apolo Market since 2001, but all together I have been in this type of Business for past ten years. I have always respected the law and will never break it.

Yours Truly

  
Raghid Kosa
